NO GREY MARKET
No resellers
no private listings

Three steps.

No guesswork.

From click to a new bike with full manufacturer warranty.

01

Find your bike

Filter by type, brand, frame size, drivetrain, e-Bike specs. Compare up to 4 models.

02

Contact dealer

Send an inquiry or call the shop directly. Every dealer is verified - no exceptions.

03

Buy at the shop

In-store transaction. Full warranty, financing & service from source.

Four pillars. Zero exceptions.

What FindBike.pl stands on - and how it differs from a generic marketplace.

PILLAR I

Authorized manufacturer dealers

We verify every business: brand authorizations, company registration, sales records.

PILLAR II

Full manufacturer warranty

Factory-new bikes only, 24 months of full warranty at the dealer.

PILLAR III

Zero sales commission

Dealer pays a flat subscription. Customer buys directly at the store.

PILLAR IV

All brands in one place

From Kross to Pinarello - all brands in one online multi-brand showroom.

Only what should be here.

Choose with confidence - we also show what you'll never find here.

WHAT YOU'LL FIND

- Factory-new bikes 2025/2026
- Full manufacturer warranty (24 months)
- Brand-authorized dealers only
- Direct contact with the shop
- In-store financing & service

WHAT YOU WON'T

- Used bikes sold as “nearly new”
- Private seller listings
- Reseller shops with random brands
- Grey-market imports
- Unverified dealers

Numbers, not marketing promises.

The hard state of the platform. Transparent. No asterisks.
